Writ Of HABEAS CORPUS

comes now Defendants in Custody, either with
 Child Protective Services (CPS) or Bexar County Jail.
 Seeking relief, were Government entities gorge themselves
 from the "fruits of the Poisonous tree". IF Subjective
 good faith alone were the test, the Protection of the
Fourth Amendment would evaporate and the people
 would be secure in their persons, houses, Papers and effects,
 only in the discretion of the Police BECK V. OHIO Supra
 at 97, 85 S.Ct. at 229. To Strike Down all factual
 requirements in respect to Probable Cause for
 arrest without a warrant, would be to blast one
 of the Support Columns of Justice By Law see
Wrightson V. United States, 95 U.S. App D.C.
 390, 227. F.2d 556, 559-560. Defendant in Civil Court
 Pro-Se HOLDS STATE AT BAY While on record in open Court
 Child Protective Services (CPS) along with Childrens
 Lawyer. Admitted they had no idea How children were
 doing Per Salley Justice Stating and I quote
 "the kids are doing fine and adjusting" were in

Jeanna Obeymeyer (CPS) worker admitted on the record Children were being spanked by foster Parents. while Defendant supplied photos of bleeding gums, busted Lips and Bruises and Black eyes Weeks before.

See Attachments Filed Stamped with Family Court under writ of Habeas Corpus Sent to the Texas Supreme Court BEXAR County Texas Civil Court Clerks office 100 Dolores 2nd Floor SA. TX 78205. Since my rearrest all information and communication with Family Court Civil and (CPS) has stopped. I have no Court information.

Everyone has recanted - Facts: Police are called by a absent and recently bailed out WIFE. whom is a mom, to a 6 bedroom 2 1/2 bath home where she tells Police that babysitter was supposed to come and babysit and that she had a relationship with me. Mind you I am not there as this transpires, the police leave then according to the report of Police they come back 20 minutes later with no warrant. Police ask me to enter Home I close Door and say NO Police Open Door and come inside. Police Place me under arrest Putting in handcuffs and put me in police car Police interrogate me. Then Police take me out of Police car and let me go.

Then arrest me again on information acquired from the first arrest (CPS) take children then later state allegation unfounded. The Silver Platter label stems from a Phase First turned in the prevailing opinion in Lustig v. United States 338 U.S. 74, 69 S.Ct. 1372, 1374, 93 L.Ed. 1819. To Put this in historic perspective

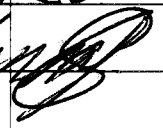

the Appropriate Starting Point must be Weeks V. United States 232 U.S. 383, 34 S.Ct. 341, 581 Ed 652, when I was rearrested I was Placed in a Court room Holding Cell the Police took my Property and placed it in a Property bag then Sealed it. I watched the pull it hand it over to police, they open the bag and take out my Cell phone then remove the Cell phone Cover open the back of the phone and take out battery then put it back together and Place Cell Phone in bag. Police come and ask me to sign my Property I had already Sign for Property what they asked me to sign was called a Search warrant I said as much to police they said we got one you dont have to sign it. So Police Search and Seize my Property Again, they take the Original bag that has my signature on it and place phone in it. Civil rights Violations are all the more regrettable because they are so unnecessary. Professional Standards in law enforcement provide for fighting Crime with intelligence rather than force. ELKINS V. United States 364 U.S. 206 (1960) Petition for Writ of Habeas Corpus Release because of Delay (Based on 17.151 OF the TX. C. C. P.) Failure of State to be ready for trial in 90 day HAS BEEN IGNORED Court Set But not trial Court Post 90 days 114 day still no trial Date Set. Motion I have filed - To Dismiss Court Appointed Counsel, for reduction of Bond, for an investigator, In Limine, to Quash Indictment, For a Pre-

trial Hearing, for evidence favorable to defendant,
 for order to require state to disclose prior acts of miscon-
 duct, for discovery. I am being completely ignored
 I am being stayed for life my family, my children
 Defendants seek relief NOW and compensation
 for loss of liberty and emotional damages for loss
 of home. Legally married family of 6, THE
 Parent Child relationship is held sacred and in
 high regard.
